## **Fighting Sail: Fleet Actions 1775-1815 (Osprey Wargames)** Ryan Miller

In the years between 1776 and 1815, grand square-rigged sailing ships dominated warfare on the high seas. Fighting Sail is a tabletop wargame of fleet battles in this age of canvas, cannon, and timbers. Players take on the roles of fleet admirals in battles ranging from the American War of Independence to the Napoleonic Wars and the War of 1812. Each fleet has access to different ships, tactics, and command personalities – each with its own strengths and weaknesses. Offering a unique blend of detail and simplicity, the scenarios included enable the recreation of historic actions or 'what-if' scenarios. Join the battle and experience the adventurous age of the fighting sail!
