## **New Strawbale Home, The** Catherine Wanek

The New Strawbale Home compiles floor plans and images from forty cutting-edge homes across North America, from California to Quebec, New Mexico to New England, showcasing a spectrum of regional styles and personal aesthetic choices. This practical guide discusses varying climate considerations and essential design details for problem-free construction and low maintenance, and also points out the ecologically friendly, energy-saving aspects of strawbale construction.

Author and photographer Catherine Wanek produced and directed the Building with Straw video series, and has spent more than a decade being involved in strawbale technology. She lives in New Mexico.

Innovative architects and builders build natural, eco-friendly homes
