Spiritual Clearings: Sacred Practices to Release Negative Energy and Harmonize Your Life Diana Burney

A blend of spiritual and practical material, *Spiritual Clearings* offers a comprehensive checklist of situations that may require a personal, home, property, or business clearing, from confronting illness or feeling “stuck” in life, to having trouble selling a home, to high employee turnover. In addition to describing energetic blockages, such as negative thought forms, author Diana Burney also discusses different categories of energy, its presence in the invisible world, and the unseen influences or beings that may be drawn to discordant energy. Through spiritual clearings, Burney proposes, we can release our own negativity as well as guide unseen negative forces toward the light. The book’s clearing rituals include prayers that invoke the assistance of higher beings such as archangels and Ascended Masters, incantations and chants from different spiritual traditions, the visualization of divine light and the violet flame, and the expression of gratitude. Additional meditation and visualization exercises, descriptions of divine beings, and a summary of the universal laws provide readers with a clear path to fulfilling their potential and creating a personal environment of confidence, creativity, love, and acceptance.
