The Accidental Dragon (Accidentally Paranormal Novel Book 9) Dakota Cassidy

From national bestselling author Dakota Cassidy comes the latest in a series that "gets better and better with each book" (*Bitten By Books*).

Firefighter McAllister “Mick” Malone knows he has a protective streak, especially when it comes to his deceased best friend’s sister, Tessa. But after twenty-five years of verbal sparring, Mick can’t help but notice that their recent arguments have started to feel a lot like foreplay. And while Tessa knows exactly what to say to get him going, Mick is thrown for a loop when he actually starts breathing fire.

Antique-store owner Tessa Preston has loved Mick Malone since she was ten years old—not that she’d ever admit it. Fighting with Mick is the only thing keeping her from an embarrassing romantic confession, but when the sexy firefighter accidentally ingests some ancient dragon scales masquerading as powdered aspirin, Tessa finds herself handling something much hotter than long-simmering sexual tension...
