Women Artists

Margaret Barlow

Women Artists Margaret Barlow

This beautiful, oversized book features the work of women artists from the Renaissance to today. The full-page illustrations bring to light these artists' achievements, including historical and cultural notes to place their works in perspective. Margaret Barlow's informative and well-researched text highlights the lives and accomplishments of well-known and lesser known women whose art has been influential to the larger society, despite restricted access to formal training, and in the face of societal pressures to conform to prescribed virtues of "womanhood," overcame impediments to pursue successful careers in art through the ages—Judith Leyster, Elisabeth-Louise Vigée-Lebrun, Angelica Kauffmann, Emily Mary Osborn, Lilly Martin Spencer, Mary Cassatt, Camille Claudel, Paula Modersohn-Becker, Georgia O'Keeffe, Käthe Kollwitz, Frida Kahlo, Dorothea Tanning, and Judy Chicago, are some of the artists highlighted.

From reader reviews:

Alan Williams:

What do you think of book? It is just for students because they are still students or it for all people in the world, what best subject for that? Just you can be answered for that concern above. Every person has different personality and hobby for every single other. Don't to be forced someone or something that they don't want do that. You must know how great as well as important the book Women Artists. All type of book is it possible to see on many sources. You can look for the internet methods or other social media.

Jack Young:

Playing with family in the park, coming to see the water world or hanging out with close friends is thing that usually you will have done when you have spare time, subsequently why you don't try matter that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition of information. Even you love Women Artists, it is possible to enjoy both. It is good combination right, you still wish to miss it? What kind of hang type is it? Oh come on its mind hangout fellas. What? Still don't get it, oh come on its known as reading friends.

Darla Kemp:

Your reading 6th sense will not betray you, why because this Women Artists guide written by well-known writer who really knows well how to make book that may be understand by anyone who have read the book. Written inside good manner for you, still dripping wet every ideas and composing skill only for eliminate your hunger then you still uncertainty Women Artists as good book not only by the cover but also by content. This is one publication that can break don't ascertain book by its include, so do you still needing another sixth sense to pick this particular!? Oh come on your reading through sixth sense already told you so why you have to listening to another sixth sense.

Michael Mantz:

Are you kind of hectic person, only have 10 or perhaps 15 minute in your moment to upgrading your mind expertise or thinking skill actually analytical thinking? Then you are receiving problem with the book when compared with can satisfy your limited time to read it because this all time you only find book that need more time to be read. Women Artists can be your answer since it can be read by you actually who have those short free time problems.
