Cat Power: A Good Woman Elizabeth Goodman

How Chan Marshall, aka Cat Power, Survived Herself—and Became the Indie Rock Queen.

Chan Marshall's stark lyrics, minimal arrangements, and wounded, smoky vocals, were an instant indie hit in the nineties—but her mental instability nearly derailed her career. How this sensitive but headstrong Georgian daughter of an unstable mother and a relatively unknown musician father—managed to make it big, burn out, and rise up again to become not only the darling of the indie music scene but also a fashion and Hollywood icon is the fabric of this irresistible story.

Covering her musical beginnings in the south and her booze-soaked rise to fame in New York City to her eventual breakdown and subsequent reclamation of herself and her music, *Cat Power* delves into the soul of this fragile but ferociously gifted young talent. With seven albums behind her, the hottest designers clamoring to dress her, and perpetually sold-out venues, Marshall is at the height of her career—a perfect vantage point from which to look at her notorious and intriguing history.

From interviews with her family, musicians such as Thurston Moore, Nick Cave, Dave Grohl, and Jack White, past loves like Bill Callahan and Vincent Gallo, and current friends such as Karl Lagerfeld and Wong Kar-Wai, Elizabeth Goodman gives us the real Chan Marshall—the little girl, the woman, the artist.

From the Trade Paperback edition.
