Extending Puppet

Alessandro Franceschi

Extending Puppet Alessandro Franceschi
Design, manage, and deploy your Puppet architecture with the help of real-world scenarios

About This Book

- Plan, test, and execute your Puppet deployments
- Write reusable and maintainable Puppet code
- Handle challenges that might arise in upcoming versions of Puppet
- Explore the Puppet ecosystem in-depth, through a hands-on, example driven approach

Who This Book Is For

This book is designed for users who already have good experience with Puppet, and will surprise experienced users with innovative topics that explore how to design, implement, adapt, and deploy a Puppet architecture. The key to extending Puppet is the development of types and providers, for which you must be familiar with Ruby.

What You Will Learn

- Use Puppet to manage network, cloud, and virtualization devices
- Become a Hiera and PuppetDB power user
- Study the different approaches to Puppet architecture design
- Master the art of writing and maintaining reusable modules
- Explore strategies and patterns on how to introduce Puppet automation
- Manage and test a Puppet code workflow
- Design scalable Puppet infrastructures

In Detail

Puppet has changed the way we manage our systems, but Puppet itself is changing and evolving, as are the ways in which we use it.

A clear, updated, practical, and focused view of the current state of the technology and the evolution of Puppet is what we need to tackle our IT infrastructure challenges and avoid common errors when designing our architectures.

This is a detailed, practical book that covers the different components of the Puppet ecosystem and explores how to use them to deploy and manage different kinds of IT infrastructures.

Updated with the most recent trends and best practices, this book gives you a clear view on how to "connect the dots" and expands your understanding to successfully use and extend Puppet.

From reader reviews:

Nora Cordova:

What do you about book? It is not important along? Or just adding material when you require something to explain what you problem? How about your free time? Or are you busy individual? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Every person has many questions above. They must answer that question because just their can do which. It said that about book. Book is familiar on every person. Yes, it is appropriate. Because start from on pre-school until university need this particular Extending Puppet to read.

Clarence Kissel:

Nowadays reading books are more than want or need but also turn into a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book that improve your knowledge and information. The data you get based on what kind of publication you read, if you want attract knowledge just go with schooling books but if you want truly feel happy read one along with theme for entertaining such as comic or novel. The actual Extending Puppet is kind of e-book which is giving the reader capricious experience.

Anthony Lucas:

You are able to spend your free time to read this book this e-book. This Extending Puppet is simple to develop you can read it in the playground, in the beach, train and soon. If you did not have much space to bring often the printed book, you can buy often the e-book. It is make you simpler to read it. You can save the particular book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

Tanya McGaha:

As a student exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Extending Puppet can make you experience more interested to read.
