Loony Little: An Environmental Tale Dianna Hutts Aston

"Aston overlays the Chicken Little tale with an environmental theme. . . . Murphy paints a wilderness worth preserving." — PUBLISHERS WEEKLY

When a drop of water falls — plop! — on Loony Little's head, she and her friends decide that they must bring this unfortunate news to the fearsome queen. Maybe she can explain how this strange turn of events will affect them. But when sly Foxy Loxy volunteers to escort all the animals to the queen's lair, Loony suspects that the fate of the Arctic and its marvelous creatures is not what the fox — or the queen — really cares about. Now, who can they find who does care?
