Seeing Salvation: Images of Christ in Art Neil MacGregor, Erika Langmuir

Without contemporary accounts of Jesus' appearance, artists through the ages have been free to create many images of him--images that sometimes reflect the spiritual world of the artist and other times the desires of the patron or the needs of the spectator. In this magnificently illustrated book, Neil MacGregor traces the life of Christ and the development of Christian culture in the work of artists from different times and diverse cultures. Copublished with the National Gallery, London
