Why Faith Makes Sense: Reasons You Can Believe God Is Real Will Davis Jr.

While the Bible declares, "The fool has said in his heart that there is no God," our culture has turned that statement on its head. The mantra of today's intellectual crowd is that the fool is the one who believes in God. Sadly, some Christians are starting to believe this, too.

Will Davis Jr. says this is nonsense. You don't have to stop thinking to be a Christian. In fact, faith is the logical, natural progression of good reasoning, and it is less foolish to believe in God than not to believe. With common language, humor, biblical teaching, and real-life stories, *Why Faith Makes Sense* helps everyday believers understand why belief is the rational outcome of clear thinking about the evidence that surrounds us.
