Its coverage extends to the headwaters of Narragansett Bay and miles offshore to the solitude of Block Island and Nantucket.

Longtime area boaters Lynda and Patrick Childress and Tink Martin take you on a personal tour with all you need for a day, a weekend, or several weeks of cruising. They provide essential information on weather, tides, currents, and pilotage, as well as the availability of moorings and the closest place to pick up provisions. The unique harbor rating system shows at a glance what each anchorage offers in facilities, protection, beauty, and interest. Maps and charts help negotiate tricky channels or find that hidden marina.

When you've dropped anchor and are sitting back in the cockpit after a day's cruising, the guide continues to inform you, pointing out places to go for food and entertainment, where to find hiking trails, picnic and fishing spots, wildlife sanctuaries, museums, and more. In addition, the authors give cruisers the historical context in which to view the passing scenery, and they impart a deep affection for the region's unique character.
