Alessandro Castelnuovo

L'aurora dell'uomo (Italian Edition) Alessandro Castelnuovo

Nessun uomo può fare qualcosa di bello nel mondo se non ha mai visto la vita nel suo profondo, se superficialmente vede solo se stesso, pensando che il fine di tutto sia la realizzazione di questo suo ego. Questa storia è la prima di una serie di racconti di viaggi alla ricerca di occasioni per tentare di capire quali strade l'umanità può ancora percorrere per lasciarsi alle spalle l'unica vera crisi che essa può affrontare con ogni sua forza. Quella della mancanza di valori umani verso i quali ispirare ogni proprio passo in direzione di una vita da considerarsi degna di essere vissuta. Un viaggio di nozze fatto quindici anni fa, tra l'incanto della natura dei fiordi norvegesi, che narra di sette giorni tra terra e mare dove i due protagonisti si lasceranno incantare dalla bellezza che il mondo porta con sé per chi la osserva con tutti i sensi e avranno la possibilità di incontrare tante anime con le quali condividere momenti di riflessione su tematiche come l'amore, la vita, il lavoro, i rapporti con gli altri, quello con il mondo circostante e tra genitori e figli.
