**Speedway to Sunshine** is the history of one of America's most exciting railroad lines, the Florida East Coast (FEC). It details how the FEC began and how it survived booms, busts, bankruptcy, sabotage, and hurricanes to become one of America's most admired rail lines. Illustrated with 400 photographs, this fascinating book chronicles the FEC's unrivaled rail-blazing events, from its inception, through the construction and destruction of the famous Key West Extension, to the line's post-war metamorphosis.

There are extensive appendices on train names, schedules, passenger agents, locomotive rosters, mail service, freight equipment, passenger equipment, intrastate connections, and track layout.
