The Way I'm Wired is a 6-week, biblically based DVD curriculum that is written for a variety of youth settings: small groups, Sunday schools, retreats, camps, homeschooling, and personal coaching/mentoring sessions.

The curriculum features Josh Griffin, high school pastor at Saddleback Church, and was developed by bestselling author and Life Purpose Coach®, Dr. Katie Brazelton. This series will help teenagers discover how they are wired and how they can cooperate with God to live the life they were meant to live. Thought-provoking lessons guide teenagers through relevant content prior to students engaging with one another.

Along with the content-rich video lessons, you'll get student handouts, discussion questions, promotional materials, and more—everything you need to save you time while teaching these dynamic lessons. We've also included two video training sessions: one for students on 10 Ways to Amaze Your Friends With Your Conversational Skills, and one for leaders on Lifetime Facilitator & Coach Skills.
