*William Shakespeare*

## **Cymbeline (Dover Thrift Editions)** William Shakespeare

The secret marriage of a king's daughter sets off a chain reaction of slander, jealousy, and divine intervention in this fairy tale-like romance. Shakespeare based his play on myths of an early Celtic king of Britain, incorporating historical elements from classical Rome and Renaissance Italy. With a cast that includes an evil stepmother, scheming suitor, and devoted lovers, the drama is heightened by duels, kidnappings, and disguised identities.

*Cymbeline* offers captivating storytelling that's crowned by the beauty of its language. Virginia Woolf, T. S. Eliot, Samuel Beckett, and countless others have quoted Act IV's funeral song: "Fear no more the heat o' th' sun/Nor the furious winter's rages;/Thou thy worldly task hast done,/Home art gone and ta'en thy wages." A moving story of loss and recovery, Shakespeare's drama promises that a leap of faith can lead to miracles.
