'Mums in November: A Romantic Suspense for Every Month of the Year (Flowers Can Be Fatal) Clare Revell

Running into Amber Neville after twenty years wasn't on Dr. Jackson Parker's list of things to do. Amber had been head girl to his head boy, and from what he remembers, she was British, stuck up and bossy...But the red-haired beauty she's grown into leaves him stunned. Newly returned from a job in Canada, Amber remembers Jackson as a brash and rude American--not at all the even-tempered, handsome doctor he's turned out to be. But she can't get involved, not with the massive burden she bears--a burden that has to remain hidden at all costs. As secrets are revealed, Amber's life is thrown into danger. As the flowers fade, so does her chance of survival. But Jackson has other plans. After all, doctors are meant to save lives, no matter the cost.
