## Occupational Therapy in Psychiatry and Mental Health

Comprehensive and informative, the extensively revised fifth edition of *Occupational Therapy in Psychiatry and Mental Health* is an accessible overview of occupational therapy in psychiatry, providing key information on a range of international models of occupational therapy as well as their practical applications.

The fifth edition includes:

- Case studies throughout to illustrate application of theory to practice
- Coverage of key concepts and issues in occupational therapy
- New material on emerging areas of practice
- Comprehensive information on assessment and treatment for children, adolescents and adults, covering key mental health conditions

*Occupational Therapy in Psychiatry and Mental Health* is an ideal resource for students in occupational therapy, newly qualified and experienced practitioners, and other allied health professionals seeking an up-to-date, globally relevant resource on psychiatry and mental health care.
