Psychology of Terrorism, Condensed Edition: Coping with the Continuing Threat (Contemporary Psychology (Praeger)) Chris E. Stout

Easily the most thorough treatment of terrorism's complexities on the market today is how one reviewer described the set from which this single volume is drawn: the 4-volume *Psychology of Terrorism*. Here, Editor Chris E. Stout presents seven classic chapters from across that multivolume set, which brought together experts from around the world in the aftermath of the terrorist attacks of September 11, 2001. Stout includes a new introduction with this condensed version, along with appendices that will enable lay readers and professionals to recognize and treat symptoms of biological attack, take basic steps to prepare for terrorist incidents, and find resources for more information.
