1. What is the most common reason Christians fail to understand Muslims, Islam, and the Qur'an?
2. What arguments offered by Christians fail to persuade Muslims, and why?
3. What bad logic do Christians sometimes use to reach Muslims?
4. Why don't Muslims understand the Bible?
5. What are the reasons Muslims think the Qur'an supports modern science, but the Bible doesn't?
6. What are the strengths and weaknesses of the models for current Christian missions to Muslims?
7. Is there really a "Jesus model" for reaching out to Muslims?
8. What are the special problems Christians encounter in reaching out to Muslim immigrants or converts to Islam?
9. What are the most common ways Christians sabotage their efforts to effectively reach out to Muslims, and what are some simple steps to correct those misguided efforts?
10. Why do Christians who reach out to Muslims often get burned out, overly frustrated, angry, depressed... and what are some simple ways to correct these unhelpful emotions?

Learn how you, your church, or your para-church organization can reach out to Muslims effectively and in emotionally, intellectually, and spiritually satisfying ways.
