A Dash of Darkness

For once Angie Amalfi's newest culinary venture, "Comical Cakes," seems to be a roaring success! There's nothing funny, however, about her homicide detective boyfriend Paavo Smith's latest case. Paavo's investigating a series of baffling murders that may be rooted in satanic ritual. And when Angie is called upon to deliver a humorous confection to the mysterious owner of a decadent after-hours goth club, the inquisitive gourmet baker suddenly finds herself up to her neck in the demonic business. It gets harder to focus on pastry alone when strange "accidents" and desecrations to her delectable, fresh-baked creations begin occurring with frightening regularity. And if Angie can't help Paavo track down a maniacal serial killer with an obsessively unhealthy interest in her, she might end up as devil's food of a different kind.
