Just moved in and don't know what to do with a messy garden or bleak-looking balcony? Want to stake your claim on a little corner of a shared garden? No gardening experience whatsoever? Fix Your Garden is the perfect solution. Packed with tips and tricks to get your green fingers going straight away, this beautifully illustrated little book will help you make the most of your outdoor space, even if you've only got a tiny windowbox. Aimed at the first-time homeowner or renter with little or no gardening know-how, it contains a wealth of information on how to make your garden grow and your balcony bloom, from early analysis of the soil to find out which plants will do best, to fixing that weed-covered wilderness of a backyard you've inherited and starting to grow your own fruit and veg. With tips on garden design and how to conquer common pests and diseases, this is a crash course in getting your outdoor space sorted, and also contains information on houseplants so you can bring a little bit of the outdoors in.
