Helena (Images of America)

Ken Penhale, Martin Everse

Helena (Images of America) Ken Penhale, Martin Everse

The first pictorial history of Helena, Alabama, this new volume traces the progress of a small crossroads village into one of the state's most vibrant and rapidly growing cities. Helena's story is one of extraordinary strength and perseverance. The community has braved numerous blows, including the onslaught of 10,000 Union troopers, a devastating tornado, and the decline of its once successful iron and coal industries. With nearly 200 images--many previously unpublished--Helena, Alabama introduces the area's early settlers and reveals a community grown wealthy on the fortunes gouged from the earth at nearby coal mining camps. From education to recreation, from farming to industrial progress, discover the way of life in Helena as it was experienced long ago. Collected over a 30-year period, the photographs in this collection are indeed rare treasures. Many of the images featured have been gathered from such diverse sources as a steamer trunk in an attic in Oregon, a St. Clair County yard sale, a dilapidated barn along Buck Creek, and from carefully preserved family albums from California to McCalla, Alabama.

From reader reviews:

Teresa Dillard:

Book is actually written, printed, or illustrated for everything. You can recognize everything you want by a e-book. Book has a different type. We all know that that book is important thing to bring us around the world. Alongside that you can your reading talent was fluently. A publication Helena (Images of America) will make you to always be smarter. You can feel more confidence if you can know about every thing. But some of you think that open or reading some sort of book make you bored. It's not make you fun. Why they can be thought like that? Have you in search of best book or ideal book with you?

Jessica Sarmiento:

Exactly why? Because this Helena (Images of America) is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will surprise you with the secret the idea inside. Reading this book next to it was fantastic author who write the book in such awesome way makes the content interior easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this anymore or you going to regret it. This book will give you a lot of gains than the other book get such as help improving your ability and your critical thinking way. So , still want to hold off having that book? If I were you I will go to the e-book store hurriedly.

Lynda Alford:

In this period of time globalization it is important to someone to acquire information. The information will make someone to understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of sources to get information example: internet, paper, book, and soon. You can see that now, a lot of publisher this print many kinds of book. Typically the book that recommended for you is Helena (Images of America) this reserve consist a lot of the information from the condition of this world now. This specific book was represented just how can the world has grown up. The language styles that writer make usage of to explain it is easy to understand. Often the writer made some exploration when he makes this book. That is why this book appropriate all of you.

Lorraine Cox:

That publication can make you to feel relax. This kind of book Helena (Images of America) was bright colored and of course has pictures on the website. As we know that book Helena (Images of America) has many kinds or variety. Start from kids until teenagers. For example Naruto or Private eye Conan you can read and think that you are the character on there. So , not at all of book usually are make you bored, any it offers up you feel happy, fun and unwind. Try to choose the best book for yourself and try to like reading this.
