The World's Weirdest Places

Nick Redfern

The World's Weirdest Places Nick Redfern

"Nick Redfern is the Brit with a knack for ferreting out all the dope on outrageous subjects."

--Jim Marrs, best-selling author of *Alien Agenda*

Just in time for that most mysterious and macabre of all nights--Halloween, of course--Nick Redfern unleashes *The World's Weirdest Places*, his latest darkly entertaining supernatural title.

In its mysterious pages, you will find Redfern's personal top 25 paranormal-themed locales, and the strange, amazing, and diabolical things that lurk within them.

From the legendary Loch Ness, Scotland, to the slopes of Mount Shasta, California; from the dark depths of the Solomon Islands to the heart of the Kremlin; and from the magical landscape of Sedona, Arizona, to the turbulent waters of the Devil's Sea of Japan, *The World's Weirdest Places* reveals the sheer astonishing scale of strangeness that dominates our planet.

Bigfoot, aliens, ghosts, vampires, UFOs, lake monsters, strange energies, enigmatic vortexes, werewolves, and terrifying demons are just some of the bizarre things that populate these parts of our planet, which provoke as much fascination and intrigue as they do fear and horror.

From reader reviews:

John Long:

Have you spare time for a day? What do you do when you have considerably more or little spare time? Sure, you can choose the suitable activity regarding spend your time. Any person spent their very own spare time to take a stroll, shopping, or went to typically the Mall. How about open or maybe read a book called The World's Weirdest Places? Maybe it is to get best activity for you. You know beside you can spend your time along with your favorite's book, you can better than before. Do you agree with its opinion or you have other opinion?

Mary McDonald:

Information is provisions for individuals to get better life, information these days can get by anyone on everywhere. The information can be a information or any news even restricted. What people must be consider any time those information which is from the former life are challenging be find than now's taking seriously which one is suitable to believe or which one the resource are convinced. If you receive the unstable resource then you have it as your main information there will be huge disadvantage for you. All of those possibilities will not happen in you if you take The World's Weirdest Places as the daily resource information.

Shirley Kier:

Playing with family inside a park, coming to see the marine world or hanging out with pals is thing that usually you have done when you have spare time, and then why you don't try point that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love The World's Weirdest Places, you are able to enjoy both. It is excellent combination right, you still wish to miss it? What kind of hang-out type is it? Oh come on its mind hangout guys. What? Still don't buy it, oh come on its called reading friends.

Kathleen Duff:

Many people spending their time frame by playing outside along with friends, fun activity together with family or just watching TV the whole day. You can have new activity to shell out your whole day by studying a book. Ugh, you think reading a book can definitely hard because you have to use the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Touch screen phone. Like The World's Weirdest Places which is keeping the e-book version. So , try out this book? Let's notice.
