Orthopedic Traumatology - A Resident's Guide David Ip

In a very concise and extremely well organized manner Orthopedic Traumatology discusses the important principles underlying the management of orthopedic trauma, which has undergone significant changes recently. The book will benefit residents in orthopedics as well as orthopedic surgeons in developed and developing countries. It will help educate trainees in orthopedic surgery, nursing, physiotherapy and rehabilitation medicine as well as medical students. The book's structure facilitates review of the material before board exams and the quick retrieval of information.
