Sister's Choice (Patchwork Circle Book #2) Judith Pella

When it comes to quilting, Maggie Newcomb is all thumbs. And nobody rubs it in more than Emma Jean Stoddard. But Maggie swallows her ire for one simple reason--she has a crush on Emma Jean's handsome son, Colby, and doesn't want to ruin her chances. So she works hard to become the best quilter in Maintown. Her plan seems to be working--that is, until Tamara Brennan comes to town. Tamara is wealthy and poised as well as beautiful, and immediately turns Colby's head. Evan Parker is smitten by Tamara, too, but unlike Colby, he isn't the dashing, athletic type. He's very smart, no doubt, but rather bookish and unexciting. Maggie forms a plan: She'll help Evan win Tamara's affection so that Colby will once again notice her. But befriending Evan has unforeseen consequences, and before long, Maggie is more confused than ever about what she truly desires in life.
