## **The World That Never Was: A True Story of Dreamers, Schemers, Anarchists, and Secret Agents**

Alex Butterworth

**A thrilling history of the rise of anarchism, told through the stories of a number of prominent revolutionaries and the agents of the secret police who pursued them.**

In the late nineteenth century, nations the world over were mired in economic recession and beset by social unrest, their leaders increasingly threatened by acts of terrorism and assassination from anarchist extremists. In this riveting history of that tumultuous period, Alex Butterworth follows the rise of these revolutionaries from the failed Paris Commune of 1871 to the 1905 Russian Revolution and beyond. Through the interwoven stories of several key anarchists and the secret police who tracked and manipulated them, Butterworth explores how the anarchists were led to increasingly desperate acts of terrorism and murder.

Rich in anecdote and with a fascinating array of supporting characters, *The World That Never Was* is a masterly exploration of the strange twists and turns of history, taking readers on a journey that spans five continents, from the capitals of Europe to a South Pacific penal colony to the heartland of America. It tells the story of a generation that saw its utopian dreams crumble into dangerous desperation and offers a revelatory portrait of an era with uncanny echoes of our own.

*From the Hardcover edition.*

**Ricardo Hempel:**

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's internal or real their passion. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this *The World That Never Was: A True Story of Dreamers, Schemers, Anarchists, and Secret Agents* can make you experience more interested to read.
