As a scholar, I exactly feel bored with reading. If their teacher expected them to go to the library or even make a summary for some guide, they are complained. Just little students that have reading's heart and soul or real interest. They just do what the professor wants, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Books are very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise, words say, ways to reach Chinese's country.
