## Angels Don't Cry Amanda Stevens

Over her dead body...

Angel Lowell's twin sister, Aiden, always got what she wanted—including Angel's boyfriend, Drew Maitland, lock, stock—and marriage... Now Aiden is dead, and Drew and Angel have returned to Crossfield, Texas, to save the small town they had all once called home. It might be time for Angel to forgive the past...and live for the future...

The ten years apart have only deepened Drew's need, and he has vowed that this time Angel will be his. But even if he can convince Angel to take a second chance on him, something—or someone—is determined to keep them apart. How can he protect the woman he loves from an evil they can't even see?
