Saving Stella [Menage Amour: Erotic Menage a Trois Romantic Suspense, M/M/F with M/M, HEA] Stella Matthews escapes her abusive husband and runs to her friend Trina for a new life. Hopefully it will be like the ones she's read about in books where the men are honourable and kind. Sparks fly when she meets Hunter Radcliffe and Ben Granger on a night out. These two men represent fun and happiness to Stella, things she's lived without for a long time. Ben and Hunter are looking for the right woman to join their life. It's been hard to find the right person, and when they meet Stella, they suspect that they've finally found her. When Stella's ex-husband comes looking for her, he manages to kidnap her. Hunter and Ben are in a race against time to get Stella back before he hurts her. Has Stella finally met her Prince Charmings, and will they be able to save her? ** Tying Trina [Siren Classic: Erotic Consensual BDSM Romance, voyeurism, caning, sex toys, HEA] Trina Russo's boyfriend, Rob Anderson, has hinted about bondage and tying her up. Trina avoids the subject until Rob brings it up directly. She is scared of the idea, and as much as she loves Rob, she's not sure that those sorts of games are to her liking. Bondage is a deal breaker for Rob. He's been practising and playing for many, many years and couldn't imagine life without it. He loves Trina more than any woman he's ever met but feels her hesitation and knows he'll have to go slow. Bringing it up with her will be the first of many challenges he'll face introducing her to his lifestyle. Bravely, Trina gives it a go and even gains enough courage to try and tie herself up for Rob, but an unforeseen outcome shakes her confidence considerably and leaves her doubting. Will Rob be able to convince her to try again? ** A Siren Erotic Romance
