Practice Under Pressure: Primary Care Physicians and Their Medicine in the Twenty-first Century (Critical Issues in Health and Medicine) Timothy Hoff

Through ninety-five in-depth interviews with primary care physicians (PCPs) working in different settings, as well as medical students and residents, *Practice Under Pressure* provides rich insight into the everyday lives of generalist physicians in the early twenty-first century—their work, stresses, hopes, expectations, and values. Timothy Hoff supports this dialogue with secondary data, statistics, and in-depth comparisons that capture the changing face of primary care medicine—larger numbers of younger, female, and foreign-born physicians.
