Early Childhood Activities for a Greener Earth Patty Born Selly

More than 100 classroom activities to help children learn about and care for the earth

Educate young children about the environment through experience and play. These activities encourage children to develop a sense of wonder, curiosity, and joy for nature. Each chapter focuses on a common and important environmental topic—from waste reduction and recycling to air quality, weather and climate change, and energy reduction—and provides information to help you present these topics to children in developmentally appropriate ways. *Early Childhood Activities for a Greener Earth* will help you excite children, engage families, and encourage your community to be green.

Early Childhood Activities for a Greener Earth is a 2014 Teachers' Choice Award for the Classroom winner!
