Introducción al profetismo bíblico (Spanish Edition)

José Luis Sicre Díaz

Introducción al profetismo bíblico (Spanish Edition) José Luis Sicre Díaz

Un trabajo que pretende ayudar a abrirse paso en el complejo mundo del profetismo bíblico. La primera parte es un acercamiento a la figura del profeta, en la que debemos tener en cuenta aspectos muy distintos (antropológico, teológico, social). La segunda traza la historia del movimiento profético en Israel, concediendo gran importancia no solo a los profetas conocidos por su nombre (Isaías, Jeremías, etc.), sino también a la multitud de autores desconocidos que transmitieron, completaron y editaron los oráculos de sus predecesores. La tercera entresaca una serie de temas del mensaje de los profetas para que advirtamos su actualidad: idolatría, justicia, culto, visión de la historia, mesianismo.
