William H. Beezley, Colin M. MacLachlan

Mexico's Crucial Century, 1810-1910: An Introduction (The Mexican Experience) William H. Beezley, Colin M. MacLachlan

After Mexico gained its independence from Spain in 1821, it began the work of forging its identity as an independent nation, a process that would endure throughout the crucial nineteenth century. A weakened Mexico faced American territorial ambitions and economic pressure, and the U.S.-Mexican War threatened the fledgling nation's survival. In 1876 Porfirio Díaz became president of Mexico, bringing political stability to the troubled nation. Although Díaz initiated long-delayed economic development and laid the foundation of modern Mexico, his government was an oligarchy created at the expense of most Mexicans.

This accessible account guides the reader through a pivotal time in Mexican history, including such critical episodes as the reign of Santa Anna, the U.S.-Mexican War, and the Porfiriato. Colin M. MacLachlan and William H. Beezley recount how the century between Mexico's independence and the outbreak of the Mexican Revolution had a lasting impact on the course of the nation's history.
