Squid and Octopus: Friends for Always Tao Nyeu

An award-winning author presents a delightful picture book about friendship under the sea. For fans of Jon Klassen's *This is Not My Hat* and Oliver Jeffers' *This Moose Belongs to Me*.

The four tales in this charming picture book show funny moments in the life of best friends Squid and Octopus. Yes, they argue sometimes (about things as silly as whether they should wear mittens or socks to keep their tentacles warm!), but they are always able to cheer each other up in glum times (such as when Squid wakes from the dream of being a superhero and feels disappointed to be plain old Squid again).

They are a very lucky pair. And as the fortune cookie in the last story says, true friends are friends for always.

“This positive, upbeat, and comforting bundle is sure to bring smiles. A good choice for goofy, interactive read-alouds.”—*Booklist* (starred review)

“Readers may find themselves turning the pages as if carried along by a gentle but unstoppable wave.”—*Publishers Weekly*

“Inventive, quirky, gentle, and sweet.”—*School Library Journal*

From reader reviews:

Margarita Toman:

Book is to be different per grade. Book for children until finally adult are different content. We all know that that book is very important for all of us. The book Squid and Octopus: Friends for Always was making you to know about other knowledge and of course you can take more information. It is quite advantages for you. The publication Squid and Octopus: Friends for Always is not only giving you a lot more new information but also being your friend when you feel bored. You can spend your spend time to read your publication. Try to make relationship with all the book Squid and Octopus: Friends for Always. You never really feel lose out for everything if you read some books.

Aaron Jack:

The book Squid and Octopus: Friends for Always has a lot details on it. So when you read this book you can get a lot of gain. The book was published by the very famous author. The writer makes some research previous to write this book. This kind of book very easy to read you may get the point easily after scanning this book.

William Glover:

This Squid and Octopus: Friends for Always is great book for you because the content which is full of information for you who also always deal with world and also have to make decision every minute. That book reveal it details accurately using great coordinate word or we can state no rambling sentences inside. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but difficult core information with wonderful delivering sentences. Having Squid and Octopus: Friends for Always in your hand like finding the world in your arm, data in it is not ridiculous 1. We can say that no publication that offer you world throughout ten or fifteen small right but this book already do that. So , this is good reading book. Hello Mr. and Mrs. occupied do you still doubt that will?

Mary Kerr:

Reading a guide make you to get more knowledge as a result. You can take knowledge and information from the book. Book is composed or printed or illustrated from each source that filled update of news. Within this modern era like today, many ways to get information are available for an individual. From media social just like newspaper, magazines, science publication, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Are you hip to spend your spare time to open your book? Or just searching for the Squid and Octopus: Friends for Always when you necessary it?
