## Thoreau's Maine Woods

Beginning in 1847, Henry David Thoreau made three trips to the mostly unexplored Maine woods. Along the way he recorded his observations on the wildlife (flora and fauna), the weather, terrain, and on the nature of the people he met along the way, including loggers, rivermen, and his Abnaki guides. In Thoreau's Maine Woods, photographer Dan Tobyne captures the essence of the Maine Thoreau discovered and described in his book. The combination of short excerpts with stunning imagery carries Thoreau's work to a higher level, presenting it in both glowing words and pictures.

#### **Gloria White:**

Many people spending their time by playing outside together with friends, fun activity together with family or just watching TV all day long. You can have new activity to shell out your whole day by looking at a book. Ugh, do you consider reading a book will surely hard because you have to accept the book everywhere? It okay you can have the e-book, taking everywhere you want in your Smartphone. Like Thoreau's Maine Woods which is keeping the e-book version. So , try out this book? Let's view.

#### **Michael Larose:**

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Thoreau's Maine Woods can make you truly feel more interested to read.
