Brutality (A Fina Ludlow Book 3) Ingrid Thoft

Gutsy, relentless, wisecracking Boston P.I. Fina Ludlow is back with her most hard-hitting case yet in the critically acclaimed series by Ingrid Thoft.

When soccer mom Liz Barone is attacked in her kitchen and left with a life-threatening injury, Fina Ludlow is hired by Liz's mother to identify her attacker. It's unusual for Fina to take a case that isn't connected to the family firm, Ludlow and Associates, but Liz was in the process of suing her alma mater, New England University—a suit that could be a legal gold mine.

Twenty years earlier, Liz was an NEU soccer star known for her physical toughness; however, a serious cognitive decline has soured her soccer memories. She's convinced that her aggressive style of play—and the university's willingness to ignore head injuries in favor of a win—has put her health and her future in jeopardy, and someone needs to be held responsible.

Was Liz attacked to stop her lawsuit, or were there other secrets in the seemingly innocent woman's life? Fina convinces her father and boss, Carl, to take the case, and discovers that wading into the financially lucrative and emotionally charged world of collegiate sports requires nerves of steel. As the list of suspects grows and hidden agendas are revealed, Fina wonders if any game is worth the price.

From the Hardcover edition.

If you did not have much space to bring the particular printed book, you can buy often the e-book. It is make you much easier to read it. You can save the particular book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.

Crystal Lavigne:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Brutality (A Fina Ludlow Book 3) can make you sense more interested to read.
