Dancers Among Us: A Celebration of Joy in the Everyday

Jordan Matter

Dancers Among Us: A Celebration of Joy in the Everyday Jordan Matter

The mystery of the body in motion. The surprise of seeing what seems impossible. And the pure, joyful optimism of it all. *Dancers Among Us* presents one thrilling photograph after another of dancers leaping, spinning, lifting, kicking—but in the midst of daily life: on the beach, at a construction site, in a library, a restaurant, a park. With each image the reader feels buoyed up, eager to see the next bit of magic.

Photographer Jordan Matter started his Dancers Among Us Project by asking a member of the Paul Taylor Dance Company to dance for him in a place where dance is unexpected. So, dressed in a commuter's suit and tie, the dancer flew across a Times Square subway platform. And in that image Matter found what he'd been searching for: a way to express the feeling of being fully alive in the moment, unself-conscious, present.

Organized around themes of work, play, love, exploration, dreaming, and more, *Dancers Among Us* celebrates life in a way that's fresh, surprising, original, universal. There's no photoshopping here, no trampolines, no gimmicks, no tricks. Just a photographer, his vision, and the serendipity of what happens when the shutter clicks.
