Draw 50 People teaches aspiring artists how to draw with ease by following simple, step-by-step instructions. Acclaimed author Lee J. Ames shows you how to draw a wondrous diversity of people from around the world and throughout history. Included here are people from ancient times, like an Egyptian mathematician, a medieval troubadour, and a Roman athlete. But there are also pirates, queens, soldiers from the Civil War and World War II, and many others.

Lee J. Ames's drawing method has proven successful for children and adults alike over the past thirty years. The twenty-seven books in the **Draw 50** series have sold more than 3 million copies and have shown everyone from amateurs to experts how to draw everything from animals to airplanes.

Even the youngest artists can make these ancient and modern men and women look great. It's easy to draw people when you do it the **Draw 50** way.
