Drunk Driving in America: Strategies and Approaches to Treatment

Bruce Carruth, Stephen K Valle

Drunk Driving in America: Strategies and Approaches to Treatment Bruce Carruth, Stephen K Valle
This unique volume discusses research, policy, and treatment approaches to one of America's most serious problems--the drunk driver. The authors--many of the countries most dedicated professionals from academic, research, correctional, public health, and judicial system backgrounds--present an extraordinary array of creative and thought-provoking approaches to the drunk driver. Their thorough descriptions will help you better understand the drunk driver, and their exploration of new sentencing and treatment strategies provides a comprehensive look at the options to confronting and solving the problem of alcohol and traffic safety in the United States. Chapters challenge many long-held assumptions about those who drink and drive; address policy issues; examine the need for culturally specific education and training programs for police, court officials, and human service providers; and offer helpful suggestions for designing programs for women and adolescent offenders.
