That Girl Montana Marah Ellis Ryan

The latest novel by this well-known and popular author. She has never written a stronger story than this, which is full of that subtle charm that compels a sympathetic interest from its opening chapter. The author takes her characters to the wilds of Idaho, in the land of the Kootenais, where the reader is made acquainted with people who win admiration for their honest, sincerity, and the whole-souled generosity of their natures. Montana is a typical wild-flower of the west, nurtured among the confines of her beloved hills.
