*Essence*® bestselling author Daaimah S. Poole serves up a sexy tale of three sisters who long for the successful marriage their parents have--and a man as good as their father. But once they stop looking for Mr. Right, surprising things start happening. . .

Dana Turner is tired of watching her co-workers get married and wondering what she's missing. . . Single mother Crystal Turner works triple-overtime to give her three children a good life. . . And Yvette Turner's marriage just imploded, taking all her hard-earned money with it. These sisters can't wait any longer for some good black men to sweep them off their feet. It's time to try something new. And once they do, all three will learn that real love comes in different forms--and what one man won't provide, another man will. . .
