Fascism, Anti-Fascism, and the Resistance in Italy: 1919 to the Present

Fascism, Anti-Fascism, and the Resistance in Italy: 1919 to the Present

While the historical significance of fascism and anti-fascism is still being hotly debated in Europe and around the world, this anthology offers a new look at the many faces of repression and resistance. Stanislao G. Pugliese brings together a wide range of voices that illuminate more than eighty years of fascism and anti-fascism in Italy. Many of the pieces, including letters from women to Mussolini and anti-fascist graffiti from a Nazi prison in Rome, are available in English for the first time. The selections include historical documents, political analysis, stories, songs, and memoirs from a variety of perspectives. Taken together, the documents provide a compelling account of the political, historical, economic, and social impact of fascism and the resistance. Touching on fields as far ranging as political science, history, women's studies, and religion, *Fascism, Anti-Fascism, and the Resistance in Italy* is immediate, human, and eminently readable.
