Financial Resources for International Study: A Guide for Us Students and Professionals

Financial Resources for International Study: A Guide for Us Students and Professionals

A Guide for US Nationals.

US students and professionals often need financial assistance to cover costs of international study. To meet the need for a current information resource on grants and fellowships for study abroad, IIE Books offers this book.

Grants range in value from \$500 to tens of thousands of dollars. Key facts on amount of award and what award covers, eligibility and application, numbers of awards offered, purpose and duration, and complete contact information. Awards offered by governments, international and binational organizations and associations, foundations -- and US colleges and universities.

Based on a survey of 5,000 donor organizations worldwide.
