**If I Forget You: A Novel** Thomas Christopher Greene

"Thomas Christopher Greene's *If I Forget You* is the most moving and beautifully-written love story I've read since *Cold Mountain*."—Howard Frank Moshier, author of *God's Kingdom*

**Two former lovers reconnect in this beautiful and haunting tale of great lost love from the critically acclaimed author of *The Headmaster's Wife***

Deeply affecting and compulsively readable, *The Headmaster's Wife* was a breakout book for Thomas Christopher Greene. Now, Greene returns with a beautifully written, emotional new novel perfect for his growing audience.

Twenty-one years after they were driven apart by circumstances beyond their control, two former lovers have a chance encounter on a Manhattan street. What follows is a tense, suspenseful exploration of the many facets of enduring love. Told from altering points of view through time, *If I Forget You* tells the story of Henry Gold, a poet whose rise from poverty embodies the American dream, and Margot Fuller, the daughter of a prominent, wealthy family, and their unlikely, star-crossed love affair, complete with the secrets they carry when they find each other for the second time.

Written in lyrical prose, *If I Forget You* is at once a great love story, a novel of marriage, manners, and family, a meditation on the nature of art, a moving elegy to what it means to love and to lose, and how the choices we make can change our lives forever.
