Play From Your Fucking Heart: A Somewhat Twisted Escape Plan for People Who Usually Hate Self-Help Books Jerry Hyde

Play From Your Fucking Heart offers absolutely no new wisdom whatsoever. In fact, it could be called an eco book, as its entire contents are recycled. Indeed, it is written with the stated belief that there is no new wisdom, that in fact the experience a reader has whenever they read something and go "Oh wow, that's really deep," is one of already knowing, of a part of themselves that was already there waking up to an eternal collective truth.
