The sequel to the highly charged *Candace Reign* depicts a realistic view of inner-city life as a single mother juggles her busy career, her intelligent son, a new boyfriend, and the return of her son's father after a decade in prison.

Candace Reign Brinton is back and at the top of her game.

The boss at a busy nursing home, Candace makes enough money to spoil herself and her quick-witted teenage son, Emmanuel. She has everything she ever wanted and life gets even better when she meets and falls for Ryan, a smooth-talking sports agent from down South.

Meanwhile, Marci, Candace's younger sister, can't seem to keep herself out of trouble and the wrong kind of love. Partying and spending more than she can afford, Marci soon finds herself at the bad end of some business transactions that could ultimately put her behind bars, unless she gets some help from her big sister.

Juggling a career, parenthood, her gregarious sister, and a too-good-to-be-true flame, Candace thinks she has it all under control. That is, until Prince, Emmanuel's father, walks through the door. Home after more than ten years in jail, Prince wants nothing more than to get his family back, regardless of Candace's hesitations. Not too pleased with her newfound relationship with Ryan, Prince is determined to do everything in his power to convince Candace she needs to be with him.

A steamy sequel to the popular *Candace Reign*, the stakes are higher than ever as Candace has everything to gain but even more to lose if she doesn't make the right choices for her own life and the life of her son.
