**Shine** Kate Maryon

Tiff's mum is a thief and she's about to get caught ... A brilliant novel from a fantastic writer for girls.

Twelve-year-old Tiff loves her mum, Carla, who is glitzy and fun and always coming home with shiny new amazing stuff. The trouble is, Tiff's mum doesn't buy things, she takes them. The fact is, Tiff's mum is a thief...

When Carla gets caught, Tiff's shiny life is ruined. She's packed off to a remote island to live with Carla's family. A family her mum never even talks about and that Tiff has never even met! How can she survive in this dull, dull place?

But the island of Sark isn't as awful as Tiff imagined it would be. The islanders are kind and honest and she's happy spending time with them. So three months later, when it's finally time for her mum to join her, Tiff can't help feeling more than a little bit worried...

### **From reader reviews:**

#### **Laura Mason:**

As people who live in often the modest era should be change about what going on or data even knowledge to make them keep up with the era that is always change and advance. Some of you maybe will update themselves by reading through books. It is a good choice to suit your needs but the problems coming to a person is you don't know which one you should start with. This Shine is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and need in this era.

#### **Stacey Samuels:**

Nowadays reading books become more and more than want or need but also work as a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the particular information inside the book that improve your knowledge and information. The information you get based on what kind of publication you read, if you want attract knowledge just go with education books but if you want experience happy read one using theme for entertaining such as comic or novel. The particular Shine is kind of book which is giving the reader unforeseen experience.

#### **Amanda Kline:**

Reading can called head hangout, why? Because if you find yourself reading a book especially book entitled Shine your brain will drift away trough every dimension, wandering in each aspect that maybe mysterious for but surely can be your mind friends. Imaging each and every word written in a publication then become one application form conclusion and explanation that maybe you never get just before. The Shine giving you an additional experience more than blown away the mind but also giving you useful information for your better life with this era. So now let us explain to you the relaxing pattern at this point is your body and mind will probably be pleased when you are finished reading it, like winning a sport. Do you want to try this extraordinary wasting spare time activity?

#### **Veronica Shriner:**

Reading a book to be new life style in this 12 months; every people loves to read a book. When you read a book you can get a large amount of benefit. When you read guides, you can improve your knowledge, simply because book has a lot of information onto it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your study, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, these us novel, comics, and also soon. The Shine will give you new experience in reading through a book.
