Dying for It Tim Waggoner

Justin & Liana Mallory are husband and wife. They`re also private investigators. Fortunately enough for them, both work and play go together quite naturally, as nothing gets them quite as excited as working on a case. However, when Wyatt Trower, an old flame of Liana`s asks for help, jealousy rears its ugly head, right up until he turns up dead in an alley. Now it`s up to Liana and Justin to find out just what kind of `big score` Wyatt was working on when he died. Soon the team of Mallory & Mallory find themselves wrapped up in a web of lies, blackmail, and voyeur videos. And someone else wants them to stop nosing into the whole sordid affair - and will stop at nothing including more killing to keep the scandal under wraps. It will take all of their undercover skills to track down the killer, stay safe, and solve the crime.
