Eagle's Reflection: And Other Northwest Coast Stories Robert James Challenger

This collection of short stories is based on traditional values important to us all—respect, cooperation and kindness. Robert James Challenger's illustrations and tales reveal a world of magical birds, fish and other wildlife, who teach readers lessons about life and the world.

Seal shows us why we should not let fear of failing stop us from trying new things. Hummingbird helps us appreciate the beauty in our world. Kingfisher teaches us how to believe in ourselves. Coho learns the rewards of not giving up. Discover why a river's spirit stones are important to Salmon, why we should listen carefully to the message in Wolf's cry, and why Orca tries to turn rocks into grains of sand.

As appealing to parents and teachers as they are to children, Jim Challenger's stories convey beautifully the merits of watching, listening to and respecting our natural world.
