Hanukkah employs Accord's *New York Times* best-selling AniMotion(tm) technology to celebrate the Festival of Lights. This sparkly tribute reveals an entertaining way to introduce youngsters to the traditions associated with the holiday. Animated windows feature flickering menorahs, spinning dreidels, and flipping latkes to celebrate important Jewish traditions associated with Hanukkah.

In addition to the book's entertaining narrative and sparkling, full-color illustrations, a collection of Hanukkah facts can be found in the back of the book, providing further opportunity for children to learn about--and celebrate--the rich traditions around the Festival of Lights.
